PLEASE ADDRESS ALL COMMUNICATIONS TO THE COMPANY.

Philadelphia December 8th, 1891.

Col O. C. Bosbyshell.,

Superintendent U.S.Mint, Philadelphia.

Dear Sir:

On receipt of your esteemed favor of the 3rd inst, we requested our Mr Henry D. Booth., to call upon you in reference to the rolls which were furnished by this Company some time ago and we have his report this morning, from which we are inclined to think that the steel furnished was not tempered as hard as was necessary for your use. The making of these rolls was in the nature of an experiment with us, and we have no doubt that, if at some future time you would favor us with another order, we could hit the right thing.

Yours truly,

THE MIDVALE STEEL CO.,
